INVITATION SYSTEM AND RULES FOR THE GLOBAL CHAMPIONS TOUR (GCT) 2011

Overall classification

Athletes may take part in all eleven GCT events. Each athlete's seven best results will count for points to establish the 2011 GCT overall classification. In case of a tie on points for any position at the end of the season the athlete with the greatest number of first placing will be classified before the other athletes tying for the same position on points. If there is still a tie the athlete with the greatest number of second placing will be classified before the other athletes and so on until all those equal on points have been separated.

Prize money for overall classification will be offered to the top eighteen competitors in the GCT overall classification (tour series) as follows:

1st place 300,000.00 euro

2nd place 180,000.00 euro

3rd place 120,000.00 euro

4th place 80,000.00 euro

5th place 60,000.00 euro

6th & 7th places 33,750.00 euro each

8th till 11th places 20,000.00 euro each

12th till 15th places 10,000.00 euro each

16th till 18th places 7,500.00 euro each

Prizes won by competitors who are tied are added and divided equally

The top three athletes in the GCT overall classification after the last competition must be present at the last event of the GCT to receive their prize in person and must be available for the press conference following the last competition in the GCT for the season in question. Athletes must be dressed in competition attire. No prize money will be given to a rider who does not present himself at the prize giving ceremony for any of the GCT competitions if required to do so. With exception of the top three riders for the GCT overall classification prize giving this does not apply.

Invitation system for each event:

Group 1

The riders 1 to 30 (60% of the number of riders participating) on the Rolex Rankings two months prior to the event are invited. In case of riders declining invitations replacements will be selected from the Rolex Rankings in descending order. Riders in this group cannot be lower on the Rolex Rankings than 150th place. The substitution in descending order will be guaranteed until the date of definite entries or until the day prior to horses departing for the event if horses are required to travel by air plane. After this date the place will be allocated by OC (Group 3).

Group 2

Five participants (10% of the number of riders participating) will be home riders and will be selected by NF. Also included in this group is 1 FEI Wild Card. The home riders are selected by the home National Federation and the FEI Wild Card by the FEI. Should the NF and/or FEI not be able to meet its quota of riders in this group, the quota will be filled by inviting additional riders by OC (Group 3).

Group 3

15 participants (30% of the number of riders participating) are selected by the OC. It is not obligatory that these participants be chosen from the Rolex Rankings.

The FEI will apply a certain amount of flexibility in relation to enforcing the rule obliging OCs to have at least 10 NFs represented.

Entries

In accordance with the current FEI rules on entries, no competitor can enter more than one event on the same weekend without the agreement of both OCs. The penalty for contravening this rule is disqualification.

Eligible for each GCT Grand Prix

Participation in each GCT Grand Prix is open to maximum 50 (fifty) athletes.

To be eligible to start in the GCT Grand Prix the competitor must complete in the event one competition with the horse he/she will ride in the GCT Grand Prix.

If the GCT Grand Prix is held on the second day of the event and for whatever reason a competitor has not been able to complete a competition on the first day of the event with the horse to be ridden in the GCT Grand Prix, the competitor in question may take part in a competition on the same day as the GCT Grand Prix if he / she wishes to take part in the GCT Grand Prix. This exception is only applicable if the GCT Grand Prix is held on the second day of the event.

Designated class for GCT ranking:

The class that counts for points in the GCT ranking is the Grand Prix, which takes place on the Saturdays or Sundays of the events.

It is a jumping competition over two different rounds against the clock with one jump off against the clock in case of a tie on penalties for the first place (Art. 273.3.4.):

- A maximum of 18 (eighteen) participants return for the second round based on penalties and time in the first round. In any case, all participants with zero penalties in the first round return for the second round. The participants that tie for the 18th place (penalties and time) are allowed to participate in the second round;

- Participants are classified according to their penalties in both rounds and if necessary according to their penalties and time in the jump-off.

- The participants of the second round not taking part in the jump-off are classified according to their penalties in both rounds and time in the second round;

- The participants of the first round not taking part in the second round are classified according to their penalties and time in the first round.
